

Health & Safety Statement

The Rotary Club of the Weald of Kent (the Club) derives this statement from the RIBI Statement amended to be Club specific.

The Club acknowledges that it has a responsibility to ensure that it needs to plan and organise all Rotary activities and events in a safe manner. The Club is committed to ensuring that all reasonable steps are taken to safeguard the participants, members of the public, volunteers, Rotarians and anyone who may be in the vicinity of a Club event or activity from risk of injury or ill health resulting directly or indirectly from that activity or event.

The Club is committed to:-

Promoting and encouraging development of safe practice as the normal acceptable standard for all Club events and activities.

Developing and encouraging communications between members of the Club in order to develop the exchange of ideas and to promote best practice relating to Health & Safety.

The overall responsibility for safety at any Club event or activity lies with the Club Council in accordance with all current legislation, including the Health and Safety etc Act 1974.

The Club will appoint a Safeguarding Officer who will be responsible for ensuring compliance with Health and Safety, safeguarding children and vulnerable adults, safety matters, coupled with reporting to RIBI

This Statement will be updated in line with RIBI Statements as required.

N.L.McGill Club Safeguarding Officer.
